

# AADU HULI FROM INDIA ( TIGERS AND GOATS )

## Start :

Place tigers on the board as shown in the pic.  
There are no goats on the board in the beginning.

## Rules :

- 1 goat per turn can be placed on an open point on the board such that it is safe from tiger's attack. Once all the goats have been placed on the board, the player can then only move 1 goat per turn to an adjacent open point along a line. Goats cannot hop over the other goats or tigers.
- The player can move 1 tiger along any adjacent vacant point.
- If a tiger encounters an adjacent lone goat with a open point just behind it, then the tiger jumps over the goat to the open point and removes the goat from the board.
- A tiger cannot hop over a goat if there is no vacant point beyond that goat. It cannot hop over another tiger and can hop only once during its turn.
- Hopped-over goats are permanently taken out of the game and are cannot be reintroduced back .

## Winner :

Tigers win if they hunt atleast 6 goats  
Goats win if they immobilize all the
